

In this issue, we announce the launch of SMF's [Own Your Future](#) talent attraction/industry branding campaign, unveil the upgraded [MSC Career Portal](#), and more.

---

## SMF Launches “Own Your Future” Creative Campaign to Draw Talent and Update Industry Brand

With the support of the industry, SMF has launched a new talent attraction/industry branding campaign, “[Own Your Future](#)”. An immersive digital campaign, “[Own Your Future](#)” showcases an industry that is full of purpose and possibilities, and one that is on the cusp of transformation.

The first phase of the campaign features an interactive [Career Purpose Quiz](#) that matches users to the profiles of a [maritime data scientist](#) (Klaveness Zerolab), [shipping lawyer](#) (Helmsman), [crew executive](#) (PIL), [asset management executive](#) (Kuok Maritime Group), and [ship financier](#) (Standard Chartered).

Own Your Future now at [www.ownyourfuture.sg](http://www.ownyourfuture.sg)

## New Maritime Singapore Connect Career Portal

The new [Maritime Singapore Connect Career Portal](#) now features enhanced tools that allow [registered employers](#) immediate access to more than 7,000 CVs in the database, while [jobseekers](#) can perform more [targeteted searches](#) of open roles. Check out the new [MSC Career Portal](#) now. Reach out to us at [msc@sgmf.com.sg](mailto:msc@sgmf.com.sg) if you require any assistance.

## Your maritime career starts here.

## How it Works?

### Create An Account

To get connected with internship and job opportunities with Singapore maritime employers, register for your FREE account here.

### Build Your Profile

Complete your profile as much as possible as it can be searched and viewed by a prospect employer of yours. With your consent of course.

### Apply Jobs

Discover the diverse maritime career & internship opportunities today.

## SMF becomes First Partner of the Maritime Just Transition Task Force

The [Maritime Just Transition Task Force](#) was founded by the [International Chamber of Shipping](#), the [International Transport Workers' Federation](#) and the [UN Global Compact](#).

The Task Force brings together governments, maritime workers' unions and the shipping industry to work towards an equitable green transition in shipping. SMF will contribute to the Task Force's project on skills in maritime.

# MAKE YOUR MARK IN MARITIME

FIND OUT MORE AT

[WWW.SMF.COM.SG/SCHOLARSHIP](http://WWW.SMF.COM.SG/SCHOLARSHIP)

**Connectivity**

The event focused on four tracks: Innovation, Sustainability, Talent and Services.

As part of the Singapore Maritime Lecture on the Opening Day, SMF Chairman Mr. Hor Weng Yew hosted a Fireside Chat with the Deputy Prime Minister of Singapore, Mr. Heng Swee Keat.

Watch the replay [here](#).

### Singapore Joins the Clydebank Declaration for Green Shipping Corridors

At the opening of Singapore Maritime Week, Minister of Transport and Minister-in-charge of Trade Relations, Mr. S Iswaran announced [Singapore's participation in the Clydebank Declaration](#) together with 22 other Signatory States.

### The Bedrock of Global Seaborne Trade

International conventions allow for the principle of limitation of liability to be applied. These agreements facilitate seaborne trade and are pivotal to its success. In the [Asian Shipowners' Association \(ASA\)'s article](#), they break down what international conventions mean for trade.

## Singapore as a Leading Maritime City- a Roadmap for the Future

On 16 March, the [Business Times](#) published an op-ed by SMF Executive Director, Ms. Tan Beng Tee.

Ms. Tan articulates how Singapore can continue to strengthen its position as a leading maritime city

## Innovation

### Maritime Singapore Decarbonisation Blueprint: Working Towards 2050

In response to the recommendations made by the [International Advisory Panel on Maritime Decarbonisation](#)-- an initiative led by SMF-- the Maritime and Port Authority of Singapore has released the [Maritime Singapore Decarbonisation Blueprint](#).

The Blueprint charts long-term strategies that will drive industry-wide decarbonisation efforts.

### Global Centre for Maritime Decarbonisation (GCMD) awards Ammonia Bunkering Safety Study

The [GCMD](#) has called for [a study](#) that will ensure the safe handling of ammonia as a bunker fuel.

As an energy-efficient green fuel, the ability to integrate ammonia into shipping has the potential to accelerate the industry's progress in meeting the International Maritime Organization's 2050 decarbonisation goals.

**Launch of Coastal Sustainability Alliance**

With over \$20 million expected to be invested into sustainability efforts over the next 10 years, the alliance aims to build a future-ready maritime ecosystem. This includes research centred around decarbonisation, electrification and energy-efficient logistics, among others.

Second Minister for Trade and Industry Mr. Tan See Leng officiated at the launch and [delivered an address](#).

## Talent

### MSC Maritime Case Summit Grand Finals

The 3<sup>rd</sup> edition of the [MSC Maritime Case Summit](#) capped the Singapore Maritime Week 2022, with teams from the [National University of Singapore](#), [Nanyang Technological University](#), [Singapore Management University](#) and [Nanyang Polytechnic](#) crowned champions.

The champions were chosen from an initial 172 students across 43 teams. Participants this year came from diverse fields such as maritime studies, business, accounting, finance, economics, logistics/ supply chain and more.
