

Navigating the Tides of Tomorrow

With the **MaritimeONE** Scholarship

MARITIME, THE BACKBONE OF GLOBAL TRADE

Responsible for transporting over 80% of international trade, the global maritime industry encompasses a diverse range of economic activities including Port, Shipping, Shore-based Maritime Services, and Offshore and Marine Engineering.

MARITIME SINGAPORE

Located at the heart of Southeast Asia, Maritime Singapore is a thriving ecosystem that connects industry players across the wide spectrum of the industry and serves as a vital node in the global maritime network.

**Top Transshipment Port
in the World**

**Top International
Maritime Centre**

**Top 5 Bunkering Port
in the World**

**Top 5 Ship Registry
in the World**

THE FUTURE OF MARITIME IN SINGAPORE

Singapore's maritime industry is committed to achieving net-zero emissions by 2050. The industry is leading the way in decarbonisation through the adoption of sustainable practices and innovative measures such as cleaner fuels and energy-efficient technologies.

**BY 2050
NET ZERO**

**emissions achieved by Singapore's port terminals and domestic harbour craft
in support of Singapore's national targets**

MARITIMEONE SCHOLARSHIPS

Administered by the Singapore Maritime Foundation (SMF), the MaritimeONE Scholarship is fully funded by the maritime industry. Scholarship awardees will either be bonded to the sponsoring company or to the industry upon graduation.

Launched in April 2007 by the Maritime and Port Authority of Singapore (MPA), Singapore Maritime Foundation (SMF), Association of Singapore Marine Industries (ASMI) and Singapore Shipping Association (SSA), MaritimeONE signifies the industry coming together as one to develop a talent pipeline to support the growth of the industry.

BENEFITS OF A MARITIMEONE SCHOLAR

Enjoy exclusive access to maritime conferences, networking events, and industry gatherings, providing ample opportunities to establish connections with professionals and expand your network.

The programme offers an accelerated pathway into the industry through educational journeys, internships, and practical real world experience with sponsoring maritime organisations.

MaritimeONE scholars receive consistent support by SMF and other maritime organisations, allowing scholars to better align their scholarship with their career aspirations and personal goals.

As a new generation of maritime talent, scholars are given unique profiling opportunities to promote the maritime industry through media platforms, raising awareness and showcasing its prospects.

More than

640

students have been awarded the MaritimeONE Scholarship

Over

\$18 million

in scholarships have been awarded by industry sponsors

Variety of

40+

diploma and degree courses are eligible for the scholarships

COURSES UNDER THE MARITIMEONE SCHOLARSHIP PROGRAMME

Interested applicants must be enrolled into one of the following maritime-related diploma or degree programmes. The scholarship value mentioned covers the entire duration of the course, and there is also an option to apply for a mid-term scholarship.

MaritimeONE Scholarships

Scholarship courses and values included are as of 2024. **For the full list of our sponsor companies and the scholarship values attached to them, scan the QR code or visit us at smf.com.sg/scholarship.**

BUSINESS

Singapore's maritime industry thrives on robust business functions that drive global trade. Professionals in this field facilitate efficient supply chains, optimise shipping operations, and foster international partnerships. Exciting career prospects include **maritime analysts, charterers, shipping executives, and maritime consultants**. Singapore's strategic location as a maritime hub offers diverse opportunities for industry growth.

SEAFARING

Seafarers play a crucial role in ensuring safe and efficient vessel operations worldwide. Opportunities at sea include **ship captains**, **deck officers**, **marine engineers**, and **maritime operations officers** are available. Besides a rewarding and purposeful career, seafaring professionals can gain valuable international exposure, undergo structured training and contribute to the industry's success.

DIPLOMA IN MARINE ENGINEERING (SEAFARING OPTION)

Course Duration: 3 years

Sponsorship Value: Up to \$12,000

DIPLOMA IN NAUTICAL STUDIES

Course Duration: 3 years

Sponsorship Value: Up to \$12,000

TIPS TO ACE THE SCHOLARSHIP INTERVIEW

BUILD YOUR PORTFOLIO

This refers to your professional and personal portfolio, which could include internships, volunteering, co-curricular activities, talents, and interests.

PREPARE FOR THE INTERVIEW

Preparing for the scholarship interview will set you apart from the rest.

Be proactive, research about the sponsor before the interview.

MAKE A LASTING IMPRESSION

Make a strong impression with your scholarship application.

Structure your answers and ask the interviewer questions when unsure. Most importantly, speak with confidence and be yourself.

SCHOLARSHIP

TIMELINE

For Higher Nitec, Diploma and Undergraduate Scholarships

APRIL - MAY

Scholarship Application Period

1. Applications open for Singaporeans and Singapore Permanent Residents.
2. Apply through the BrightSparks website (www.smf.com.sg/scholarship) to submit your application. Students are welcome to apply for more than one scholarship relevant to your field of study.

JUNE

Interviews and Selection of MaritimeONE Scholars

1. Shortlisted candidates will be contacted for an interview.
2. Interviews will be conducted either by
 - SMF and sponsoring company jointly; or
 - Sponsoring company independently; or
 - SMF independently.
3. The scholarship application results will be released by end of June.

JULY

Deed-Signing by MaritimeONE Scholars

1. Scholarship Deeds will be signed
 - Between SMF and scholars; or
 - Between sponsors and their scholars; or
 - By the 3 parties.
2. Scholars are required to provide a surety each.

AUGUST - SEPTEMBER

Onboarding & MaritimeONE Scholarship Awards Ceremony

1. Scholars will be officially inducted into the programme.
2. Thereafter, scholars will be presented with their scholarship awards at the MaritimeONE Scholarship Awards Ceremony.

OCTOBER

Disbursement of Scholarship Funds

1. SMF will make the first disbursement to scholars in this period.
2. Subsequent disbursements are made before the start of each academic year.

SMI - MARITIMEONE POSTGRADUATE R&D SCHOLARSHIP PROGRAMME

The SMI – MaritimeONE Postgraduate R&D Scholarship aims to develop quality local maritime research talent and domain experts to deepen Singapore’s specialised R&D capabilities as a global maritime knowledge hub.

Postgraduate scholarship courses and values included are as of 2024.

For more details of the postgraduate scholarship, scan the QR code or visit us at smf.com.sg/scholarship.

SMI - MaritimeONE Scholarships

Advance research. Spark innovation.

POSTGRADUATE

- **MASTER OF SCIENCE (RESEARCH)**
- **MASTER OF ENGINEERING (RESEARCH)**
- **DOCTOR OF PHILOSOPHY**

Service Commitment: Up to 4 years
Sponsorship Value: Up to \$400,000

- **MASTER'S BY RESEARCH**
- **DOCTOR OF PHILOSOPHY**

Service Commitment: Up to 4 years
Sponsorship Value: Up to \$400,000

- **MASTER OF ENGINEERING (RESEARCH)**
- **DOCTOR OF ENGINEERING**

Service Commitment: Up to 4 years
Sponsorship Value: Up to \$400,000

- **MASTER OF ENGINEERING (RESEARCH)**
- **SUTD PHD PROGRAMME**

Service Commitment: Up to 4 years
Sponsorship Value: Up to \$400,000

MARITIMEONE SCHOLARS

Cheng Zheng Yang

Bachelor of Science in Economics Majoring
in Analytics

Singapore Management University (SMU)

Awarded by NORDEN Shipping
(Singapore) Pte Ltd

"The MaritimeONE scholarship has opened doors to a range of opportunities, including internships that offered practical experience and valuable industry insights. Through these internships, I have gained exposure to both decarbonisation and data science, which were beyond my expectations during my school days."

Read about Zheng Yang's journey here

MARITIMEONE SCHOLARS

Lee Rui En Joline

Diploma in Nautical Studies

Singapore Polytechnic (SP)

Awarded by Singapore Maritime Academy

“My grandparents were initially skeptical of my decision to sign up as a cadet at the Singapore Maritime Academy and embark on a sailing career due to their conservative mindsets. However, after seeing me being awarded the scholarship and the joy I derive from being out at sea, they have become very supportive of my career choice. My dream is to join the ranks of female ship captains who have made their mark in this industry.”

Read about Joline's journey here

MARITIMEONE SCHOLARS

Aditya Rayakar

Bachelor of Science in Economics Majoring
in Maritime Economics and Operations
Management
Singapore Management University (SMU)
Awarded by BW Maritime Pte Ltd

"The MaritimeONE scholarship was an obvious choice for me as I was sincerely interested in gaining a deeper understanding and exposure into the Singapore maritime industry.

The maritime industry is a melting pot of personalities, ideas, and opportunities. SMF, through its tireless efforts, initiatives and well-planned events has exposed me to like-minded individuals that share the same enthusiasm and passion for the industry. These initiatives reinvigorate me and I am reminded of why I have chosen to pursue a career in maritime."

Read about Aditya's journey here

MARITIMEONE SCHOLARS

Ainul Fasha Binte Amran

Bachelor of Engineering (Hons) in
Naval Architecture
Singapore Institute of Technology,
Newcastle University
Awarded by Seatrium Limited

“The MaritimeONE scholarship enabled me to pursue my full-time degree, allowing me to achieve my goal of becoming an engineer in the maritime industry. Though I was initially from a different career path, this scholarship offered me valuable internship opportunities to explore my engineering interests within the maritime sector.

The flexibility of the scholarship allowed me to raise my child with a peace of mind. The programme has eased my journey to get to where I am today, and I can now focus on sharpening my skill sets to elevate my career.”

SCHOLARSHIP EVENTS

The MaritimeONE Scholarship offers extensive opportunities for learning and holistic development. Scholars participate in educational lectures, maritime conferences, and networking events, building their knowledge of the sector and making valuable connections. Immersive excursions and educational tours complement classroom learning, providing firsthand insights into the maritime field.

STUDENT RESOURCES

1 MARITIMEONE INTERNSHIP PROGRAMME (MIP)

Looking for an internship to gain invaluable real-world experience and kick-start your professional journey? The MaritimeONE Internship Programme connects students and leading maritime organisations to facilitate mentoring opportunities by industry veterans.

Apply for MIP here!

There are four intake periods in MIP: Spring, Summer, Fall, and Summer-Fall.

a. Spring MIP: Open only to NTU Year 3 Maritime Studies students.

b. Summer MIP: Open to students from all disciplines and years of study.

c. Fall MIP: Open only to SMU Year 2 and 3 students undertaking Work-Study Elective (WSE).

d. Summer-Fall MIP: Open only to SIT Year 2 Naval Architecture and Marine Engineering students undertaking Integrated Work Study Programme (IWSP).
